Over the past 19 years, some information that was once printed exclusively in EMU Athletics media guides has been moved to the department's official website, EMUEagles.com. Visit the volleyball home page to find such information.

EMU on Mobile Devices

Fans using mobile devices can access news, scores and schedules on EMUEagles.com/mobile or by downloading the EMU Eagles app on Google or Apple.

Eagle All-Access

Catch live games, along with interviews and highlights of Eastern Michigan student-athletes and coaches only on Eagle All-Access, the official video source for EMU Athletics. Logon to EMUEagles.com for more information.

ESPN+/ESPN3

In 2015, EMU Athletics began to produce live content that is aired nationally on ESPN3 and now ESPN+. The programming is produced entirely by members of the EMU community, including athletics department staff members, distinguished professionals and students from the Department of Communication, Media & Theatre Arts. EMU students receive valuable hands-on experience working with professional equipment and producing content for a national audience. It is a unique opportunity for students to gain working knowledge and real-time experience. All events will be delivered on ESPN3 or ESPN+, with the option to cut to any event for inclusion on other ESPN platforms.

In eight years, EMU has produced 296 events between volleyball, men's basketball, women's basketball, gymnastics, wrestling and football signing day. The 2022-23 schedule will include home volleyball, men's and women's basketball games as well as other selected contests. Stay tuned to EMUEagles.com for the complete broadcast schedule.

HEAD COACH KEVIN FOEMAN

Alma Mater - Mary Washington, '06
Third Season at EMU

Kevin Foeman was named as the Head Women's Volleyball Coach at Eastern Michigan University on March 2, 2023, and he is entering his third season at the helm of the program in the 2025-26 athletics year.

The 2024 season proved to be a stepping stone for the program as it improved by eight wins compared to its 2023 campaign, concluding 2024 at 13-19 (7-11 MAC) after producing a 5-25 (3-15 MAC) mark in 2023, marking the team's largest win-improvement since it won 24 games in 2010 after securing just five in 2009 (19-win improvement). Additionally, Eastern got off to a 5-1 start in conference play for the first time since 2018, capped by a thrilling five-set win on the road over eventual MAC Regular Season Champion, Bowling Green, Oct. 10.

Eastern started the season strong, winning the Hampton Inn Invitational, Aug. 31, while **Ella Voorhees** was named Tournament MVP and **Hannah Blaney** landed on the all-tournament team. As the season progressed, Foeman oversaw the emergence of **Hatteras Welker** who earned MAC All-Freshman honors and was named MAC Defensive Player of the Week, Sept. 23, after recording 18 blocks (averaging two per set) and adding 14 kills off 25 swings offensively for a .525 hitting percentage, leading the Green and White to a 2-1 record on the week.

Welker went on to record 135 blocks, the most from a freshman in program history, while standing as the second-most in a single season in the rally scoring era (2008-pres.). She led the conference in both total blocks (135) and blocks per-set (1.27), figures that ranked her 22nd and 39th in the nation, respectively.

The 6-foot-2 middle blocker paced an Eastern team that led the MAC with 305.5 blocks and slotted third in the conference with 2.48 blocks per-set. Nationally, the Eagles ranked fourth in total blocks and 52nd in blocks per set. The 2024 team's 305.5 total blocks stands as the second-most in program history in the rally scoring era, while its 2.48 blocks per set marked a program record.

Blaney was another bright spot defensively in 2024 as she served as the team's libero and followed suit with Welker, earning her own MAC Defensive Player of the Week nod (Sept. 30). She grabbed 50 digs, averaging 6.25 per set, including a career-best 27-dig outing. At the time, Blaney stood second in the MAC with 258 total digs, a mark that ranked her 12th in the nation, while the Eagles as a team slotted 21st in the country in digs. She ended the season fifth in the conference, posting 4.13 per set and fourth in total digs with 504.

In 2023, Foeman officially wrote his name into the Eastern record books with the first win of his EMU tenure coming against Western Illinois in a five-set thriller, Sept. 2. After falling in the opening set, 25-11, the Eagles stormed back to win four of the next five sets to secure the match victory. Foeman's Eagles went on to sweep Chicago State, Sept. 8, as well as Kent State to close out the home portion of the 2023 campaign, Nov. 11.

Foeman was instrumental in the development of **Callie Minshew**, who earned All-MAC Second Team honors as she totaled the fifth-most kills in the conference (416), and the fourth-most kills per set (3.89). Minshew erupted for a career-best 32 kills in the final match of her college career against Central Michigan, Nov. 15. Not only did her performance mark a career-best, but it also went down as the ninth-highest single-game kill count in program history. In doing so, Minshew vaulted herself over the 1,000-career kills mark.

Moreover, Minshew also performed in the classroom setting, as she earned her second consecutive CSC Academic All-District nod while earning her first Academic All-MAC honor.

Foeman was a highly-accomplished program leader at the Division II level with a 153-89 career record in eight seasons as a head coach.

Foeman has been the head coach at two previous schools, posting an all-time winning percentage of .632 (153-89). He was selected as the 2022 Great Midwest Athletic Conference (GMAC) Coach of the Year and twice helped Ashland earn a spot in the NCAA Division II Championships (2018 and 2022). The Eagles have also captured the conference division title four times (2018, 2019, 2021, and 2022), while winning the 2022 GMAC Regular Season Championship.

Ashland was 23-9 overall in 2022, posting the best mark in the league at 16-1. The Eagles earned a spot in the Division II postseason as the No. 6 seed in the Midwest Region. Champions of the Great Midwest South Division, Ashland posted the longest winning streak in program history (15) as well as the longest number of consecutive sets won (20).

Four of Foeman's players earned spots on the Great Midwest's first team – middle blocker Anna Krikke, setter Zoey Peck, outside hitter Erin Krupar, and outside hitter Makenna Belcher. Krupar also earned honorable mention All-American honors from American Volleyball Coaches Association (AVCA).

In 2021, Foeman led the Eagles to an 18-13 (13-3 GMAC) record. AU won the Great Midwest South Division title and was the league tournament runner-up. Krupar had a breakout fall, as she was named an NCAA Division II All-American by both the Division 2 Conference Commissioners Association (first team) and AVCA (third team). Playing in all 31 matches and all 110 sets in 2021, Krupar's total of 504 kills were No. 2 in NCAA Division II, her 5.09 points per set were tied for No. 3 in D-II, and her 4.58 kills per set were No. 5 in the nation.

During the COVID-altered 2020 campaign, Ashland notched a 9-8 record during the abbreviated spring schedule. The squad went 2-2 at the AVCA Division II National Championship in Dallas, Texas. The tournament was created to provide a championship experience for Division II student-athletes following the cancellation of the NCAA Women's Division II National Championship. Four players earned All-Great Lakes Intercollegiate Athletic Conference (GLIAC) honors, as Foeman's squads lost only three South Division matches in three GLIAC seasons.

In 2019, Ashland finished 24-7 (13-3 GLIAC), once again reaching the conference tournament and winning the GLIAC South Division title by four matches for the second year in a row. The Eagles were ranked as high as fifth in the Midwest Region, went 3-0 at the Midwest Crossover, and were in the top three in the GLIAC in kills per set (first), hitting percentage (third), assists per set (second) and digs per set (second). All seven Eagle starters earned spots on the 2019 All-GLIAC teams.

Foeman's first campaign guiding the Eagles was an impressive one, as AU finished 25-7 overall and 14-2 in the GLIAC. The team won the GLIAC South title and reached the NCAA Division II postseason in 2018. Ashland's winning percentage in GLIAC play was its then-best all-time. Along the way, Ashland had seven players named as all-conference honors, including GLIAC Freshman of the Year and Midwest Region Freshman of the Year.

Before arriving at Ashland, Foeman spent three seasons at the helm of Lake Erie College in Painesville, Ohio. In his three years at the helm, he compiled a 54-45 overall record and was 27-25 in conference play. During the 2016 and 2017 seasons, he led the volleyball program to postseason berths, with 2016 being the first postseason action in program history.

HEAD COACH KEVIN FOEMAN

In the five seasons prior to Foeman's arrival, Lake Erie won a combined 15 matches and just three league contests from 2010-14.

In 2017, the Storm enjoyed their winningest season in program history as they compiled a 26-9 overall record and went 15-3 in GMAC action. The 15-3 record in the GMAC earned the Storm a GMAC East Division Championship and the number two overall seed in the GMAC tournament. The Storm advanced to the semifinal match in the GMAC tournament.

The Storm program made tremendous strides in the 2016 season. Lake Erie was 19-16 overall and 9-7 in the conference, which set a program record for the winningest season in Storm Volleyball history. Fighting through an endless array of five-set matches (15 in total), the Storm clinched its first-ever appearance in the GLIAC playoffs where it would earn the program's first-ever conference playoff victory over Findlay. During the regular season, the Storm notched victories over GLIAC powers Findlay (twice), Wayne State, Grand Valley State, and Northern Michigan, while statistically the Storm led the GLIAC in kills, assists, blocks, points, and finished second in digs in 2016.

Foeman's first season at Lake Erie saw the team triple its win total from the year before, highlighted by victories over Tiffin and rival Ashland. Crystal Kedroske was named honorable mention GLIAC as she led the way on the outside for the Storm in 2015.

Under the direction of Foeman, eight student-athletes were named to all-conference honors. Foeman had one first-team selection, six second-team selections, and one honorable mention.

Foeman was a member of the Hillsdale staff from 2013-15, where he was very involved as an assistant coach handling recruiting, organizing, promoting and running camps, leading strength and conditioning sessions, scouting, and training blockers. In addition to his duties with the volleyball team, Foeman served as the Assistant Director of Recreation and Sports and taught a course in the general dynamics of wellness. Also during his time at Hillsdale, Foeman help developed and directed the Charged Up Volleyball Club, serving as Head Coach of the 18U and 14U National Teams and Co-Head Coach of the 16U National Team.

Immediately prior to Hillsdale, Foeman coached two club volleyball teams in Columbia, Md., and served as an assistant coach with his alma mater, the University of Mary Washington. As a staff member for the Eagles' volleyball and baseball teams from 2009-12, Foeman directed strength and conditioning programs and helped with community outreach, founding Reading Day at Moss-Nuckols Elementary School. He also established the Mary Washington Alumni Association, helping to organize alumni games.

In addition to his coaching career, Foeman had a prolific playing career in baseball. Foeman was one of the best baseball players to come out of UMW, as he was named All-American during the 2003-04 season. He also earned All-Region, three first-team all-conference honors, and was named regional Pitcher of the year twice. Foeman holds numerous records, as he has the most career wins (33), strikeouts (360), and complete games (22). He also holds records for wins in a season with 12, strikeouts in a season with 145, and complete games with nine complete games in a season. Foeman led the Eagles to three NCAA tournament appearances and was nominated for the D3Baseball.com team of the decade. He was inducted into the Mary Washington Athletics Hall of Fame in 2018.

After his time at Mary Washington, Foeman played for numerous minor league teams, starting in San Francisco Giants organization, from 2006-12.

Foeman graduated from Mary Washington in 2006 with a Bachelor's degree in Business Administration. In 2013, he received his MBA from UMW. Foeman also holds personal training certifications with American Fitness Professionals, American Council on Exercise and Resisted Movement Training.

Foeman, and his wife, Remy, have three children, KJ, Evie and Jax, and three dogs, Chandler, Joey, and Anakin. Remy previously served as an

ASSISTANT COACH SOPHIE DAHN

Alma Mater - Ashland, '22
Second Season at EMU

Sophie Dahn is in her second year as an EMU volleyball assistant coach in the 2025-26 athletics year. Prior to accepting the full-time gig, Dahn served as a Graduate Assistant in Recreation at John Carroll University from 2022-24.

In 2024, Dahn proved pivotal in in an eight-win improvement from the 2023 season, concluding 2024 at 13-19 (7-11 MAC) after producing a 5-25 (3-15 MAC) mark in 2023, marking the team's largest win-improvement since it won 24 games in 2010 after securing just five in 2009 (19-win improvement). Additionally, Eastern got off to a 5-1 start in conference play for the first time since 2018, capped by a thrilling five-set win on the road over eventual MAC Regular Season Champions, Bowling Green, Oct. 10.

Overseeing the Eagles liberos and defensive specialist, the group was led by libero **Hannah Blaney** who was named MAC Defensive Player of the Week nod, Sept. 30 after grabbing 50 digs, averaging 6.25 per set, including a career-best 27-dig outing. At the time, Blaney stood second in the MAC with 258 total digs, a mark that ranked her 12th in the nation, while the Eagles as a team slotted 21st in the country in digs. She ended the season fifth in the conference, posting 4.13 per set and fourth in total digs with 504.

A standout on the court, Dahn joins Head Coach **Kevin Foeman** after playing under his guidance at Ashland University for four years as a defensive specialist and libero. During her time as an Ashland Eagle, she was named to the GLIAC All-Academic Excellence, GMAC All-Academic Excellence, and was a three time Division Champion.

In her final season with the Eagles, she finished her playing stint with 434 total digs, 60 assists, and 28 serving aces in a total 48 matches and 148 sets played.

Along with coaching volleyball, Dahn is also very passionate about mental performance coaching by working with athletes to build confidence, coping strategies and emotional control, with the goal of making them the strongest all-around athlete that they can be. She is currently pursuing a Masters of Arts in Clinical Mental Health Counseling.

A graduate of Ashland University, Dahn holds her bachelor's degree in Sciences (2022).

DIRECTOR OF OPERATIONS REMY FOEMAN

Alma Mater - Maryland, '13
Third Season at EMU

Remy Foeman is in her third season as the director of volleyball operations while also assisting in coaching duties with middle blockers and setters in the 2025-26 athletics year. She is the first director of operations in EMU volleyball history.

In her second season in Ypsilanti, Foeman heavily aided in an eight-win improvement from the 2023 season, concluding 2024 at 13-19 (7-11 MAC) after producing a 5-25 (3-15 MAC) mark in 2023, marking the team's largest win-improvement since it won 24 games in 2010 after securing just five in 2009 (19-win improvement). Nationally, the Eagles ranked fourth in total blocks and 52nd in blocks per set. The 2024 team's 305.5 total blocks stands as the second-most in program history in the rally scoring era, while its 2.48 blocks per set marked a program record.

Welker also checked into set-based program records for blocks in both three, four, and five set matches, with her highest ranking tying for second with 11 blocks in a five-set win over IU-Indy, Aug. 30, a figure that stood as the second most in a single game in the conference. The very next day, **Angel Baylark** recorded 12 blocks in a four-set victory over Valparaiso, Aug. 31, marking a program four-set record and standing as a MAC single-game high.

Setting wise, Foeman mentored the duo of **Ella Voorhees** and **Maddie Stayer**. Voorhees led the team posting 428 assists (4.65 per set) with seven assist-digs double-doubles as she was named Hampton Inn Tournament MVP following a pair of double-double performances against IU-Indy and Valparaiso, Aug. 30-31. Stayer followed with 377 assists (3.19 per set) with six double-doubles and freshman Taylor Smith tabbed 289 assists (4.19 per set) with three double-doubles.

Prior to her arrival in Ypsilanti, Foeman spent the previous six years at Ashland University as the assistant coach under head coach Kevin Foeman. In April of 2021, she earned the American Volleyball Coaches Association (AVCA) Thirty Under 30 Award, which recognizes up-and-coming coaching talent at all levels of the sport. Additionally, Foeman sat on the Ashland University Athletics Diversity and Inclusion Group Advisor committee as well as the Women's Advisory Council Advisor and was a Girls in Sports Day Leader. Moreover, she was named a Burton T Morgan Entrepreneur Fellow and sat on the GMAC Assistant Coach Representative at the Division II Governance Academy committee.

Before her time at Ashland, Foeman was previously an assistant coach at Lake Erie College from 2015 to 2017 and Hillsdale College in 2014. Additionally, the Maryland graduate spent some time at her alma mater as the director of volleyball operations during the 2013 season.

As a Terrapin, she was a two-year captain and ranks fifth on the school's all-time list in assists. She was named to the Preseason All-ACC team in 2011.
Following her collegiate career, Foeman also played professionally in Puerto Rico and was a member of the Puerto Rican national team, earning all-star honors in 2014, 2015 and 2016.

She also has experience as a camp coach at Tim Horsmon Volleyball Camps and has been a head coach at Metro American Volleyball Club and Jonesville (Mich.) High School.

Foeman graduated from the University of Maryland in 2013 with a bachelor's degree in family science.

Foeman, and her husband, Kevin, have three children, KJ, Evie and Jax, and three dogs, Chandler, Joey, and Anakin.

2018 MAC CHAMPIONS

EASTERN MAKES HISTORY WITH FIRST MAC TOURNAMENT TITLE

When the 2018 season began, the Eastern Michigan volleyball team had one simple goal in mind: improve every day. The rhythm of the season inevitably brings both highs and lows, but consistent improvement from start to finish is one of the few things a team can control.

After the Mid-American Conference preseason poll set the expectation as fourth place in the West Division, the leadership of one of the top senior classes EMU has ever had took over. The Eagles started the season with an 8-3 record, winning the William and Mary Colonial Classic, and continued the roll into conference play.

Eastern won five of its first six MAC games, and after a short mid-season swoon, finished the campaign winning three of its final four.

For their efforts during the season, seniors Jordan Smith and Alyssa LaFace were named Mid-American Conference first team members. Joining them on the league's first team was redshirt sophomore Cassie Haut, who led the conference in attack percentage. It marked the second time in program history and first time since 2011 that Eastern had three players earn All-MAC first team honors.

Riding into the tournament as the No. 5 seed, EMU drew the No. 8 seed Kent State University to open play. The Eagles made relatively easy work of the Golden Flashes, surviving the first set 28-26 and rolling to a sweep behind 25-17 and 25-20 wins. Smith led the way with an 18-kill performance, while sophomore Franki Strefling put up a double-double of 10 kills and 13 digs.

Game two of the championship trek posed a challenge against No. 4 University at Buffalo. The Bulls handled the Green and White in four sets in the lone regular season matchup, and started the tournament showdown with a convincing 25-18 victory. EMU battled back, however, gutting out a 28-26 win in set two. The momentum seemed to carry over, as the Eagles closed out the second round upset with 25-17 and 25-21 victories. Haut proved her first team billing with an eye-popping 21 kills with a .586 attack percentage.

The MAC Tournament semi-final matched Eastern against No. 1 seed Bowling Green State University. With the Falcons playing their first game of the tournament, the Eagles won the rest vs. rust argument by jumping out in front with two wins, 25-13 and 25-14. After BGSU battled to a 25-23 win in the third set, EMU closed the door with a 25-20 win to knock out the top seed. The balanced attack was led by Smith, who finished with 19 kills, while Haut chipped in 16. Joining the fray was sophomore April Houston, who pounded 13 kills with a .591 attack percentage.

With its first MAC Tournament Championship on the line, the only thing standing in Eastern's way was host school and No. 2 seed Miami University. The RedHawks came out on fire, winning the first set 25-19. After the Eagles battled back with a 25-21 victory in set two, MU took control of the championship with a 25-19 win in set three.

Down 2-to-1, EMU responded by dominating the fourth set, hitting .524 while holding Miami to just .227 to go on to win 25-15. In the winner-take-all game five, Eastern continued its roll with an easy 15-8 victory, ensuring the Eagles' first trip to the NCAA Tournament.

Haut was tabbed tournament MVP after finishing the four game stretch with 65 kills and hitting .385. Joining her on the All-Tournament team was Smith, who tallied 66 kills, and fellow senior Alyssa LaFace, who had 95 total digs and averaged 5.94 digs per set during the tournament. Eastern went on to all to No. 3 University of Illinois in the NCAA Tournament.

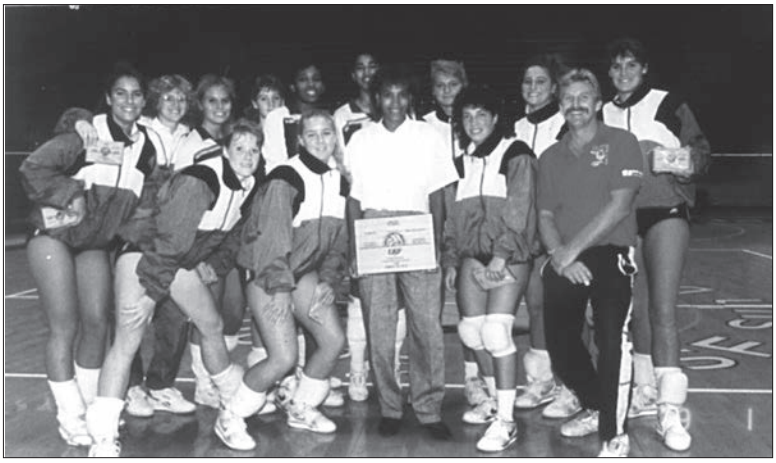
1990 TRIP TO THE POSTSEASON



The 1990 season marked the first-ever national postseason appearance for the Eastern Michigan University volleyball program, as the then-Hurons qualified for the Women's Invitational Volleyball Championships, where Eastern went 2-2 before being eliminated by Tennessee.

Led by head coach Nona Richardson and seniors Nikki Stubbs and Sherry Anderson, Eastern stormed out to 20 straight wins en route to a 30-5 season, both of which are school records. Former Eagles' head coach Kim Berrington was an assistant coach with the 1990 EMU squad.

Eastern finished the season as the South Florida Tournament champions, Wright State Tournament champions and *Ann Arbor News* Classic champions. Eastern then qualified for the MAC tournament, where it lost in the championship game to Miami in a five-set thriller.

Eastern's Stubbs, Anderson and Stacy Graham were named first-team All-MAC. Stubbs ranked fourth in hitting percentage in the conference and was second in kills per game at 4.75 kpg. Graham ranked second in the MAC in hitting percentage and blocks per game, while Anderson also ranked in the top three in the MAC in assists (11.37 apg) and led the team with 42 service aces.

Riding into the tournament as the No. 5 seed, EMU drew the No. 8 seed Kent State University to open play. The Eagles made relatively easy work of the Golden Flashes, surviving the first set 28-26 and rolling to a sweep behind 25-17 and 25-20 wins. Smith led the way with an 18-kill performance, while sophomore Franki Strefling put up a double-double of 10 kills and 13 digs.

Game two of the championship trek posed a challenge against No. 4 University at Buffalo. The Bulls started the showdown with a convincing 25-18 victory. EMU battled back, however, gutting out a 28-26 win in set two. The momentum seemed to carry over, as the Eagles closed out the second round upset with 25-17 and 25-21 victories.

The MAC Tournament semi-final matched Eastern against No. 1 seed Bowling Green State University. With the Falcons playing their first game of the tournament, the Eagles won the rest vs. rust argument by jumping out in front with two wins, 25-13 and 25-14. After BGSU battled to to a 25-23 win in the third set, EMU closed the door with a 25-20 win to knock out the top seed.

With its first MAC Tournament Championship on the line, the only thing standing in Eastern's way was host school and No. 2 seed Miami University. The RedHawks came out on fire, winning the first set 25-19. After the Eagles battled back with a 25-21 victory in set two, MU took control of the championship with a 25-19 win in set three.

Down 2-to-1, EMU responded by dominating the fourth set, hitting .524 while holding Miami to just .227 to go on to win 25-15. In the winner-take-all game five, Eastern continued its roll with an easy 15-8 victory, ensuring the Eagles' first trip to the NCAA Tournament.

Haut was tabbed tournament MVP after finishng the four game stretch with 65 kills and hitting .385. Joining her on the All-Tournament team was Smith, who tallied 66 kills, and fellow senior Alyssa LaFace, who had 95 total digs and averaged 5.94 digs per set during the tournament.

Where We're Located

Eastern Michigan University is located in historic Ypsilanti, about 10 miles east of Ann Arbor, 40 miles west of Detroit and just 20 minutes from Detroit Metropolitan Airport. It is an area rich in academic, research, technological and recreational resources. The University also has sites in Livonia, Jackson, Traverse City, Flint, Detroit and Monroe.

EMU's 800 plus-acre campus of scenic floral and wooded areas includes 18 miles of walkways and jogging trails and has 122 buildings throughout the academic and athletic campuses. Eagle Crest – Eastern Michigan's golf course and resort – is located on the banks of nearby Ford Lake.

Ypsilanti plays a leading role in industry and education. The city and the University have forged close ties that have lasted more than 160 years.

What Makes Us Unique

In 1849, the Senate and House of Representatives of the State of Michigan formally paved the way for the establishment of Michigan State Normal School, with the exclusive purposes of instructing persons in the art of teaching; providing a good common school education; and giving instruction in the mechanic arts, husbandry, agricultural chemistry and the laws of the United States.

Since its inception, Eastern Michigan, first as a Normal School, then as a College and finally as a University, has grown and developed to respond to the ever-changing needs of society. Over the years, EMU has educated thousands of sons and daughters of Michigan, the nation, and the world.

The university currently serves thousands of students who are pursuing undergraduate, graduate, specialist, doctoral and certificate degrees in the arts, sciences and professions. In all, more than 200 majors, minors and concentrations are delivered through the University's Colleges of Arts and Sciences; Business; Education; Health and Human Services; Technology, and its graduate school.

Eastern Michigan's exceptional faculty, students and alumni include CEOs from major businesses, a National Student Teacher of the Year, National Teacher of the Year, numerous Fulbright Scholars and Milken Family Foundation National Educators award winners, and several Michigan Teachers of the Year.

EMU is regularly recognized by national publications for its excellence, diversity, and commitment to applied education.

Our Students

With over 13,000 students, EMU provides a rich learning environment for the campus community. The University currently has approximately 10,470 undergraduates and 2,193 graduate students. Our students represent 49 states and 93 foreign countries.

Of undergraduate students, 71 percent are full-time and 60 percent are women. The most popular majors are education, business, social sciences and history, science and engineering, English, and the health professions. EMU's undergraduate population is approximately 62 percent white; 17 percent black; 3 percent international; 3 percent Asian-American; six percent Hispanic, 0.2 percent Native-American, and 6 percent not answered (i.e. elected not to respond to this inquiry).

Eastern Michigan offers a number of special academic programs to help students succeed. These include the Honors College; the Holman Success Center; distance learning; accelerated format programs; online, weekend and evening programs and courses; American Humanics certification; Study Abroad Tours; a specialized master's degree program for corporations offered onsite; a double master's degree; online technologies for education and training.

With more than 200 academic and social organizations, an extensive intramural sports program, 19 NCAA Division I sports and numerous cultural activities from which to choose, EMU students have diverse opportunities to become involved in campus life. Students' on-campus housing choices range from traditional dormitory-style rooms to apartments and include living/learning center options.

Faculty/Staff

Eastern Michigan University employs more than 1,140 faculty members. Ninety-four percent of EMU professors have doctoral degrees or terminal degrees in their field. The student to faculty ratio is 17:1.

Faculty work closely with students, and many involve students in their research. Recently, the University celebrated its 30th annual Undergraduate Symposium; a benchmark program for undergraduate research.

Community Outreach

Eastern Michigan is making an impact nationally by channeling its academic research as a means of solving real world problems. EMU currently has 14 research institutes and centers that focus on community building and civic engagement, quality, community and regional development, small business development, geospatial education, textiles, export assistance and product development.

EMU is well-known for merging theory and practice for the benefit of the community. Applied research leads to new knowledge, new jobs and new business. Annually, the university receives about $15 million in revenues for sponsored research and community service activities.

The Alumni Association

Representing more than 160,000 alumni and friends, the Alumni Association sponsors social and service-related programs for more than 20 geographically-based and special-interest alumni chapters.

EMU's Economic Impact

Since its founding in 1849, Eastern Michigan has provided quality services to the residents of Ypsilanti, Washtenaw County, the State of Michigan and other states and nations.

EMU's total impact on the Michigan economy of an estimated $3.7 billion annually reflects a return of more than $42 for each dollar received from the state. The University's total impact on the Michigan economy results in a contribution of $166 million in state tax revenue. Thus, EMU's impact on state government tax revenue is $1.87 in taxes for each dollar received from the state.

EMU: EDUCATION FIRST

Mission Statement

Eastern Michigan University is committed to excellence in teaching through traditional and innovative approaches, the extension of knowledge through basic and applied research, and creative and artistic expression.

Building on a proud tradition of national leadership in the preparation of teachers, we maximize educational opportunities and personal and professional growth for students from diverse backgrounds through an array of baccalaureate, master's and doctoral programs.

We strive to provide a student-focused learning environment that enhances the lives of students and positively impacts the community. We extend our commitment beyond the campus boundaries to the wider community through service initiatives, and public and private partnerships of mutual interest addressing local, regional, national and international opportunities and challenges.

Our History

Founded in 1849, when the state of Michigan was just 12 years old, Michigan State Normal School was designated by the state legislature as the first institution to educate teachers to serve the public schools. The University thus began, somewhat humbly, as the sixth teacher education institution in the nation. A campus that today comprises more than 800 acres was once a four-acre plot with one building and two programs of study – a classical course and an English Course.

The school's name changed several times – to Michigan State Normal College in 1899; to Eastern Michigan College in 1956; and finally to Eastern Michigan University in 1959. During its first 100 years, the institution certified thousands of teachers and developed the broad-based curricula that ultimately prepared it for university status.

Within that new university, three colleges emerged: Education, Arts and Sciences and the Graduate School. The University has since expanded three more times, adding the College of Business in 1964, the College of Health and Human Services in 1975, and the College of Technology in 1980. More recently ,Eastern Michigan has developed Extended Programs and numerous community-focused institutes.

The university has enhanced its learning environment through structural initiatives during the past several years. Recent construction includes the Terrestrial and Aquatic Research Facility (1998), the Convocation Center (1998), the Bruce T. Halle Library (1998), the John W. Porter College of Education Building (1999), the Everett L. Marshall College of Health and Human Services Building (2000), the Village residence hall (2001), University House (2003), new Student Center (2006), and the new Science Complex (2010).

The City of Ypsilanti

Ypsilanti is a city in Washtenaw County with a population of 19,435. Originally a trading post established in 1809 by Gabriel Godfroy, a French-Canadian fur trader from Montreal, a permanent settlement was established on the east side of the Huron River in 1823 by Major Thomas Woodruff. It was incorporated into the Territory of Michigan as the village Woodruff's Grove. A separate community a short distance away on the west side of the river was established in 1825 under the name "Ypsilanti", after Demetrius Ypsilanti, a hero in the Greek War of Independence. Woodruff's Grove changed its name to Ypsilanti in 1829, and the two communities eventually merged.

Henry Ford and the automotive industry came to Ypsilanti in the 1930s and beautiful Ford Lake was created to generate hydroelectric power for the manufacturing plants. During World War II, Ypsilanti became home to the Willow Run Bomber Plant, a factory that would employ 100,000 workers.

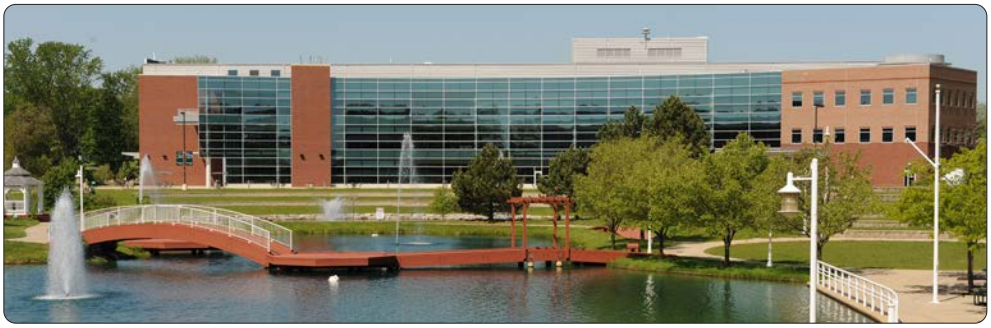
The Bruce T. Halle Library

The $41-million Bruce T. Halle Library represents the latest technological trends in libraries, integrating traditional print with emerging electronic sources. The 218,000-square-foot facility has 520 computer workstations, 300,000 volumes of open-shelf books, 800,000 volumes in an automated retrieval collection, 3,000 network connection ports, a 100-seat auditorium with seats wired for laptop computers, a 70-seat teleconferencing room, a 130-station computing commons with six learning labs (electronic classrooms), a distance learning lab, a television studio, the Paradox Cafe, individual and group study areas, and self-direction stations.



The EMU Student Center

Since Nov. 6, 2006, EMU Student Center has become the vibrant hub of activity on EMU's main campus in Ypsilanti, MI. In fact, in April 2007, it was voted the "Best Place to Hang Between Classes" by Eastern Echo readers. From the wide range of eatery choices to the fireplace lounges, there's so much more in between: EMU Bookstore, EMUCU, wireless Internet access, a 24/7 computer lab, two art galleries, meeting/conference/banquet rooms, a dining room stage, and an auditorium for movies, live performances and guest lectures. Additionally, students will find many EMU student services, programs and organization offices all under one roof. When you view it altogether, EMU Student Center lives up to its slogan: Centered on You!

Welcome Home 2025

EMU's Welcome Home 2025 Plan is an equity initiative that will transform on-campus student housing to ensure that EMU students have access to quality and affordable housing with modern technology that meets the demands of today's academic world. EMU's student housing facilities have generally been neglected for decades, and it is time to reverse this trend and invest in housing for our students.

EMU and its partners will invest more than $200 million from 2022-2024 to construct new on-campus student housing, renovate existing housing, and demolish outdated housing. The exact timeline and project details will be determined over the next several months in close partnership with the campus community.

The need for quality and affordable on-campus student housing with modern technology standards became even more apparent during the COVID-19 pandemic, when many students struggled with housing affordability and access to technology. The Welcome Home 2025 Plan will address this gap by upgrading EMU's student housing facilities to meet 21st Century standards.

New and Renovated Housing Facilities

The goal is to complete all housing renovations and new construction in advance of the Fall 2024 academic semester. Benefits and considerations of the overall phasing schedule include: More quickly complete all capital improvements to benefit the student experience; Provide additional opportunities for improvements through cost savings; Ensure that there are enough available beds for students that want to live on campus during the development period; Better align the diversity of unit-type offerings with student preferences during construction and upon completion.

The Board of Regents is the governing body of Eastern Michigan University. Its current format was created when the State of Michigan ratified a new constitution Jan. 6, 1964. The Board comprises eight regents who are appointed to eight-year terms by the governor.

"Other institutions of higher education established by law having authority to grant baccalaureate degrees shall each be governed by a board of control which shall be a body corporate. The board shall have general supervision of the institution and the control and direction of all expenditures from the institution's funds. It shall, as often as necessary, elect a president of the institution under its supervision. He shall be the principal executive officer of the institution and be ex-officio a member of the board without the right to vote. The board may elect one of its members or may designate the president to preside at board meetings. Each board of control shall consist of eight members who shall hold office for terms of eight years, not more than two of which shall expire in the same year, and who shall be appointed by the governor by and with the advice and consent of the Senate. Vacancies shall be filled in like manner."

-- Michigan Constitution of 1963 (ratified 1964), Article 8

Nathan K. Ford, Chair

Nathan K. Ford was appointed by Governor Gretchen Whitmer in December of 2020 to fill the seat of Mary Treder Lang whose term had expired. He is appointed for a term expiring December 2028.

Nathan K. Ford was born and raised in Detroit, Michigan and was a graduate of Detroit's Cass Technical High School. After high school, he went on to earn his bachelor's in business administration at Morehouse College. While attending Morehouse, Ford immersed himself in several organizations. Amongst them was the Morehouse College Business Club, where he later rose to become the Executive Vice President. This led to Ford being selected for Spring Tour, which is the highest honor in the business department. Ford's educational background also includes the Michigan Political Leadership Program, sponsored by Michigan State University, and the Excel 2000 Leadership Development Program, sponsored by New Detroit and Unisys Corp.

Ford began his career as a Marketing Representative for Baxter Healthcare Corp, where he managed an $8.2 million territory. Early on in Ford's career, he also served as the administrative assistant to Detroit Councilman Nicholas Hood II. The Living Cities Fellows program later chose Ford, to serve and rebuild the City of Detroit as a Business Advocate. In this new role, Ford streamlined processes for local businesses, including permits and licensing. This led Ford to assume the position of Director of the City of Detroit's Buildings, Safety Engineering and Environmental Department (BSEED). Ford oversaw a department responsible for executing business processes across the city including inspections, permits, licenses, zoning, and demolitions. Prior to serving in former Mayor Dave Bing's administration, Ford has held numerous positions that have led to the advancement of city causes. This includes a 14-year stint on the Wayne County Building Authority Board, where he ultimately became board chairman.

Over the years, Ford has served on a number of boards including the board of directors for the NAACP and Urban League, the Detroit/Wayne Brownfield Advisory Board, and the University District Community Association. Presently Ford serves as a board member for the Conference of Minority Transportation Officials (COMTO) where he was awarded private executive of the year in 2019. In addition, Ford co-founded the Detroit Braves Baseball Team, of the Detroit Police Athletic League (PAL), where he coached alongside his high school classmate.

Currently, Ford serves as Associate Vice President at a national transportation engineering consulting firm called HNTB Corporation, in Detroit, Michigan. Ford also sits on HNTB's National PAC Board that is active throughout the country.

Sean M. Gray

Sean Gray was appointed to the Board of Regents by Governor Gretchen Whitmer in December of 2024 to an eight-year term that will expire in December 2032.

Gray's journey into leadership began in his family's small business environment, where he developed a passion for entrepreneurship early on. Gray went on to become a two- time EMU graduate, graduating from Eastern Michigan University with a bachelor's degree in business administration and a master's degree in educational leadership. During his time at EMU, Gray served as Student Body President and played a key role in selecting the site and design for EMU's Student Center. His leadership and advocacy-were key in presenting the project to both the State Legislature and the Board of Regents for approval.

Gray currently serves as the vice president of small business services at the Detroit Economic Growth Corporation (DEGC), a non-profit that plays a central role in Detroit's business retention, attraction, and economic development efforts. His work at DEGC includes facilitating small business engagement, with notable contributions such as supporting minority-owned businesses in the 2024 National Football League Draft held in Detroit.

Gray is also actively involved in several community organization. He serves on the Board of Directors for the Detroit Historical Society. Additionally, he is part of the Advisory Committee for Invest Detroit, a mission-driven financial institution dedicated to advancing equity, investment, and wealth generation. Regent Gray currently serves as the Vice Chair of the Faculty Affairs Committee, as well as a member of the Personnel and Compensation Committee and the Audit Committee.

Jessie K.W. Kimbrough

Jessie K.W. Kimbrough was appointed by Governor Gretchen Whitmer in December of 2020 to fill the seat of Jim Webb whose term had expired. She is appointed for a term expiring December 2028.

Jessie K.W. Kimbrough is a Detroit native and received her Bachelor of Science degree from Eastern Michigan University in 1995. Upon graduating from EMU, she attended medical school and completed an Internal Medicine-Pediatrics residency at Wayne State University School of Medicine. Later, she received her Master's in Public Health at the Harvard School of Public Health. Followed by completion of a General Internal Medicine fellowship at Johns Hopkins University.

After residency training, she practiced primary care at Henry Ford Health System. She later relocated to Boston, MA, where she accepted a position at Harvard Medical School as Clinical Instructor. More recently, she served as the Medical Director for the Washtenaw County Health Department for three years. Additionally, she practiced Hospital Medicine at the University of Michigan Medical School and remains as an adjunct clinical assistant professor.

As of late, she has worked with faith-based, community-based, and healthcare organizations in Michigan and throughout the U.S. to present at town halls on COVID-19 prevention, safety, and racial disparities. Also, she volunteers at mobile COVID-19 testing and flu vaccinations clinics in Southeastern Michigan. Her work and advocacy for health equity and social justice have been featured in both local and national media.

She serves as Chair of the Educational Policies Committee, Chair of the Diversity, Equality and Inclusion Committee, and Vice Chair of the Audit Committee.

Chad Newton

Chad Newton was appointed by Governor Gretchen Whitmer in March of 2021 to fill the seat of former regent Rich Baird. He is appointed to fill the remainder of the term ending December 2026.

Newton is a three-time EMU graduate, graduating cum laude from Eastern Michigan University with a bachelor's degree in criminology and criminal justice, a master's degree in technology studies with a specialty in law enforcement, and Eastern Michigan University's School of Police Staff and Command. Newton is a former member of the EMU Alumni Association Board of Directors, and is a graduate of the FBI National Academy and the Michigan State Leadership Academy.

At the age of 18, the Metro Detroit native left home and joined the United States Army. As a member of the Military Police, Newton served tours of duty in Seoul, South Korea and Fort Campbell, Kentucky. After being honorably discharged with the rank of Sergeant, he joined the Wayne County Sheriff's Department as a Deputy Sheriff.

Newton has more than 25 years of airport experience and over 35 years as a law enforcement professional. As a leader with a drive to serve, Newton's career path reflects his genuine desire to help others. In 1999, Newton transitioned to the Wayne County Airport Police Department, where he advanced through the ranks becoming the Vice President of Public Safety for the Wayne County Airport Authority. In May 2018, Newton was assigned the additional responsibility of overseeing Willow Run Airport. Two months later, he was appointed as the Authority's Interim CEO.

Newton currently serves as Chief Executive Officer of the Wayne County Airport Authority (WCAA). He began his tenure in November 2018 after being appointed by the WCAA Board. In this role, he is responsible for overseeing the independent governmental entity tasked with management and operation of Detroit Metropolitan Wayne County Airport and Willow Run Airport, Michigan's busiest airport system and one of the world's leading air transportation hubs. Newton is one of approximately 500 airport executives in the United States certified by the American Association of Airport Executives (AAAE) as an Accredited Airport Executive (A.A.E.), and is the first WCAA CEO with this distinction. He is also a member of the AAAE Policy Committee and the Detroit Metro Convention & Visitors Bureau Board.

Marques Thomey, Vice Chair

Marques Thomey was appointed to the Board of Regents by Governor Gretchen Whitmer in February of 2023 to an eight-year term that will expire in December 2030.

Born and raised in the rural northern Michigan community of Mio, Thomey came to Eastern Michigan University in 1996 and graduated with a Bachelor of Science degree in Aviation Management Technology in 2000. He later received his Master of Science in Leadership from Embry-Riddle Aeronautical University in 2021.

A passionate alumnus, Thomey served on the Eastern Michigan University Alumni Association Board of Directors from 2011 to 2017, and held several leadership positions including Parliamentarian, President-Elect, and President. He continues to give his time to EMU by guest lecturing for the GameAbove College of Engineering & Technology Aviation Program and College of Business.

Thomey serves as Director of Business Development and Real Estate for the Wayne County Airport Authority (WCAA). Thomey is responsible for coordinating and managing business deals, and real estate contracts at Detroit Metro (DTW) and Willow Run (YIP) airports, including public-private partnerships for developing both aeronautical and non-aeronautical revenue. Thomey began his career at Metro Airport in 1999 and since then, he has become a 23-year veteran in the disciplines of aviation, asset management, organizational development, process improvement and business development, and he is a Certified Member of the American Association of Airport Executives (AAAE).

Thomey resides in the City of Plymouth and is an active member of his community where he has served as City Commissioner for three and a half years and volunteers for the American Red Cross as a blood donor where he has a lifetime donation of over 13 gallons. He is married to his wife Jessica of 15 years, and has two young children, Cora and Dean.

Regent Thomey, is currently Vice Chair of the Board of Regents and Chair of the Personnel and Compensation Committee, Vice Chair of the Finance and Investment Committee, and is a member of the Diversity, Equity and Inclusion Committee.

Michael Hawks

Michael Hawks was appointed by Governor Rick Snyder in February of 2011 for an eight-year term. He was reappointed for a second eight-year term expiring December 2026.

Hawks was born in Ann Arbor, Michigan and grew up in Ypsilanti Township. He graduated from Ypsilanti High School where he excelled in football and received a full athletic-scholarship from Eastern Michigan University. Hawks, a four-year letter winner, was a starter on defense for three seasons. While at EMU, he earned a bachelor's in business administration and subsequently earned a master's in higher education administration from Michigan State University.

After completing his higher education, he served as Chief of Staff for the Majority Floor Leader in the Michigan House of Representatives and served on the Staff of the Speaker of the House.

He currently serves as CEO of Governmental Consultant Services Inc. (GCSI) in Lansing, Michigan. GCSI is a bi-partisan multi-client Lobbying firm that is consistently recognized as Michigan's number one rated firm. GCSI's diverse and prestigious portfolio includes many Fortune 500 companies, multi-national corporations, trade associations, municipalities, non-profits, authorities as well as many other entities in multiple sectors. Hawks individually has been consistently voted amongst the top lobbyists in the state by independent political surveys of Capitol insiders in a career spanning over 30 years. Regent Hawks has also been involved with many charitable and community organizations over the years.

Regent Hawks serves as Chair of the Athletic Affairs Committee, and is Chair of the Eagle Administrative Service Board. In addition, he is also Vice Chair of the Personnel and Compensation Committee.

Jenita Moore

Jenita Moore was appointed to the Board of Regents by Governor Gretchen Whitmer in December of 2024 to an eight-year term that will expire in December 2032.

Moore came to Eastern Michigan University in 1989 and graduated with a Bachelor of Science degree in Public Law and Government in 1993. She later earned a Master of Public Administration with a concentration of Public Management degree at Western Michigan University in 2004.

As a passionate alumna, Moore is a dedicated ambassador for Eastern Michigan University (EMU). She has served as a former member of the EMU Alumni Association Board of Directors and held the roles of Parliamentarian and Board Secretary. Her continued commitment to EMU demonstrates her strong connection to the university and its alumni community.

In her professional life, Moore currently serves as Deputy Director with the Department of Labor and Economic Opportunity (LEO) and Director of Faith-Based and Community Partnerships. Moore's career also includes expertise in state legislative policy making, government relations, and state agency administration.

As a prominent figure in her community, Moore is a proud member of organizations such as Delta Sigma Theta Sorority, Incorporated, Higher Heights for America, and the NAACP Detroit Chapter. In recognition of her leadership and community service, she was named a Michigan Chronicle's Women of Excellence honoree in 2023.

Regent Moore currently serves as the Vice Chair of the Educational Policies Committee, Vice Chair of the Student Affairs Committee, and a member of the Audit Committee.

Anupam Chugh Sidhu

Anupam Chugh Sidhu was appointed to the Board of Regents by Governor Gretchen Whitmer in March of 2023 to an eight-year term that will expire in December 2030.

Sidhu first arrived to Eastern Michigan University in 1989 and graduated with a Bachelor of Science in Mathematics and a Secondary Teaching Certificate in 1994. She later earned a Master of Education in Instructional Technology at Wayne State University in 2001. She is also an EPFP Michigan State University 2011-12 Fellow.

Sidhu began her career as a Tutor for Homeless Students and Workshop Facilitator with the Education Project for Homeless Youth in 1992, and has since earned over 25 years of experience working in public education with roles ranging from tutor, teacher, coach, consultant, and director.

Sidhu currently serves as trustee on the Plymouth-Canton Community (P-CCS) Board of Education, Chair of the Student Performance and Achievement Committee, and as the officer of the Wayne County Association of School Boards (WCASB).

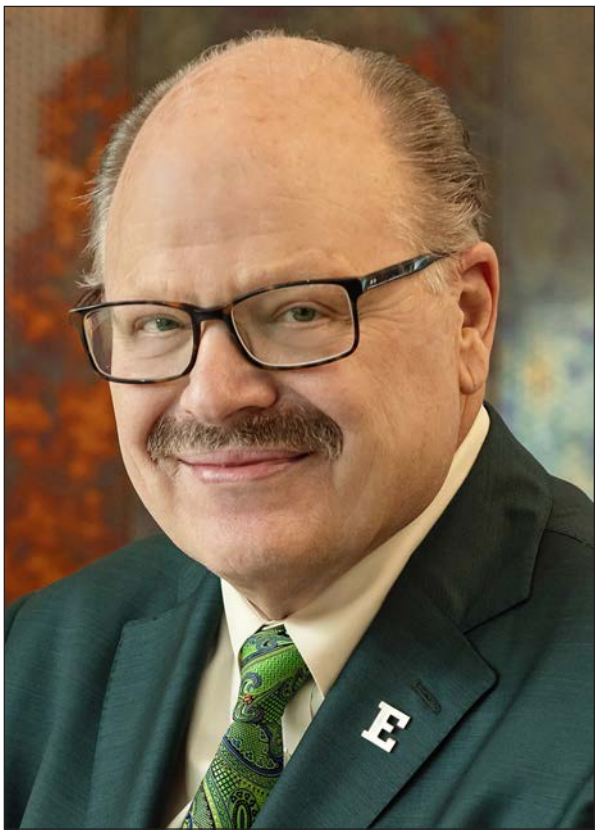
Within these roles, Sidhu advocates for high quality instructional programs, safe and inclusive environments, social-emotional support, along with equitable support, resources and funding for student success.

In 2020, she helped lead efforts that moved P-CCS forward with the passing of Bond 2020 for new technologies, furniture, improved safety, dedicated spaces for gym and art, new playgrounds and pool, Salem Auditorium renovation along with so many other improvements.

Sidhu resides in Canton, Michigan with her husband and son and enjoys hiking, traveling, dancing, and cooking in her spare time.

Regent Sidhu serves as Chair of the Student Affairs Committee, and Chair of the Finance and Investment Committee. In addition, she serves as a member of the Eagle Administrative Services Board.

PRESIDENT JAMES M. SMITH



James M. Smith, Ph.D.
President

Dr. James M. Smith is the 23rd president of Eastern Michigan University. He began his duties July 1, 2016.

President Smith has led an active presidency at Eastern, undertaking many positive strategic initiatives. These include the introduction of several new academic programs in high demand areas; launching the #4WARD scholarship initiative; creation of the President's Commission on Diversity and Inclusion and the President's Sustainability Commission; launching an update to the University's Strategic Plan; and key appointments to the University's leadership team (Provost and Executive Vice President; Vice President, Advancement; General Counsel; and, Vice President and Director of Intercollegiate Athletics).

In addition, President Smith has overseen a significant investment in capital improvements across the Eastern Michigan campus. These include the comprehensive renovation of Strong Hall, the third and final building in the University's Science Complex; constructing a new campus health center; renovating the campus dining halls and recreation facilities; upgrades to other facilities including academic buildings, classroom technology and residence halls; infrastructure including a new co-generation unit that will provide more than 90 percent of the University's energy needs; installation of a new underground power system; expanded wireless capabilities; and upgraded roadways, sidewalks and parking areas. An extensive array of new lighting and security measures further enhances the campus environment.

President Smith has initiated strategic efforts to increase Eastern's international footprint and recruitment base. He traveled to China during his first year to strengthen established relationships and identify new opportunities. President Smith is also supporting faculty efforts to travel abroad for academic, recruitment and alumni engagement activities. Under President Smith's leadership, the University is a proud supporter of the national #YouAreWelcomeHere campaign, encouraging international students to study in the United States.

Before coming to EMU, Smith served as president of Northern State University (NSU) in Aberdeen, South Dakota, since June 2009. From 2008-2015, NSU was named by U.S. News & World Report as one of the best undergraduate public institutions in the Midwest. At NSU, he led an initiative to develop the first and only Confucius Institute in the Dakotas, dedicated to the teaching of Chinese language, culture, and business practices.

Smith, 61, who grew up near Columbus, Ohio, in Washington Court House, knew early on he wanted to be a teacher. He always had admired teachers and enjoyed school. He became an elementary and middle school teacher after earning his Bachelor of Science degree in elementary education, from Miami University in Oxford, Ohio, in 1979. He would go on to earn a Master of Education, educational administration, from Xavier University in Cincinnati and a Doctor of Philosophy, educational leadership, from Miami University.

Over the next 28 years, he served as an elementary school principal, a teaching fellow and assistant professor at Miami, director of the Experiential Program for Preparing School Principals at Butler University in Indianapolis, and director of the Educational Leadership Program and coordinator of doctoral studies at West Texas A&M University. Smith was also vice president for Economic Development at Bowling Green State University in Bowling Green, Ohio, before heading to NSU.

Smith's wife, Dr. Connie Ruhl-Smith, has an impressive resume of her own. She has been a teacher, author and administrator, and has done extensive work in student retention and student academic support, introduction of international partnerships, and much more. As Director of Development for International Relations at Eastern, she actively engages the campus community with international development opportunities.

Scott Wetherbee, the Vice President and Director of Athletics at Eastern Michigan University, has redefined what progress looks like in collegiate athletics. Since taking the reins in 2017, his tenure has been marked by a consistent and ambitious vision: to elevate EMU Athletics competitively, academically, and culturally. Under his leadership, the Eagles have soared to new heights, capturing 20 Mid-American Conference (MAC) team championships and 139 individual MAC titles. Eastern Michigan has now amassed 159 MAC team titles since 1973, the most of any school in the league over that span. This sustained excellence has been complemented by an impressive 452 All-MAC honorees and 1,127 Academic All-MAC recipients under Wetherbee's direction, underscoring the holistic development of EMU student-athletes.

The 2024–25 academic year exemplified the peak of this success. EMU student-athletes collected 52 MAC Player/Athlete of the Week awards across numerous sports, earned 25 First Team All-MAC and 35 Second Team selections, and brought home marquee accolades including MAC Attacker and Goalkeeper of the Year (Lacrosse), Freshman of the Year (Swim & Dive), and Most Valuable Performer (Women's Track & Field). Teams like lacrosse secured a share of the MAC regular-season title in just their second year, while track & field athletes captured 14 individual or relay MAC titles. Historic moments also defined the year, such as women's golfer Savannah de Bock becoming the program's first NCAA Regional qualifier. Meanwhile, academics soared with EMU student-athletes posting a department-best 3.472 cumulative GPA following the Winter 2025 semester—marking the 31st consecutive term above a 3.0. Over 83% of student-athletes achieved a GPA of 3.0 or higher, while 86 earned perfect 4.0s. All 19 varsity teams surpassed the 3.0 benchmark, with women's soccer (3.862), lacrosse, volleyball, and gymnastics leading the way. The department also celebrated 135 Academic All-MAC honors and 47 CSC Academic All-District selections.

Wetherbee has invested in more than just scoreboards and stat sheets. Facility revitalization has been a pillar of his strategy. The opening of the Incarnati Athletic Center in 2019 marked EMU's first major athletics facility expansion since 1998. Since then, Eastern has added new turf at the soccer/lacrosse complex, upgraded locker rooms for swimming & diving, and created an expanded erg room for rowing. These upgrades have been fueled by more than $35 million in fundraising, including an \$8 million lead gift for the GameAbove Golf Performance Center—the largest in school history. Additionally, EMU secured a $2.7 million contribution to rename the Convocation Center in honor of NBA legend George Gervin and received the university's largest-ever sponsorship, totaling $1 million. The generosity and momentum don't stop there: EMU has now received 11 gifts of $1 million or more under Wetherbee's leadership.

His commitment to growing women's sports has been equally transformative. He successfully launched women's lacrosse in 2022–23 as EMU's 19th varsity sport, and the team reached the MAC Tournament by their second season. The addition of lightweight rowing for the 2026-27 campaign marks the 20th varsity sport and continued a

commitment to expanding athletic opportunities. Wetherbee has appointed 14 head coaches since his arrival, making key hires in high-profile sports such as women's basketball, volleyball, men's basketball, gymnastics, swimming, and baseball. Recent additions include leaders for women's basketball, men's and women's golf, and lacrosse, while long-standing coaches like Sue Parks have been realigned into specialized roles to maximize program success.

On a national scale, Wetherbee is a respected leader, currently serving on the NCAA Division I Volleyball Committee after previously contributing to the Division I Baseball Committee. Within the MAC, he chairs several committees, including the MAC Athletics Directors group, Volleyball Coaches, and Basketball Game Management committees. His leadership has not only built a winning culture but a more inclusive one. In 2023–24, EMU received its first-ever 1-MAC Institution Award for excellence in diversity, equity, inclusion, and belonging. The award recognized EMU's leadership in hosting inclusive events and mentorship programs. Over 6,400 community service hours were logged by student-athletes that year, reflecting a culture of service alongside scholarship and sport.

In recent years, EMU Football has experienced unprecedented success, reaching three straight bowl games and securing its first postseason victory since 1987 by defeating San Jose State in the Famous Idaho Potato Bowl. The 2023 season was a banner year, with the team recording nine wins—its most since 1987—and earning a share of the MAC West Division title. Meanwhile, the women's indoor track & field team won the 2024 MAC Championship on home turf, and 18 individual track & field conference titles were claimed. Notably, football senior Brian Dooley earned national acclaim after giving up his scholarship for a walk-on teammate—a moment that earned him the 2023 Disney Spirit Award and captured hearts nationwide.

The 2022–23 season was similarly stellar, with both men's and women's indoor track & field teams claiming MAC titles and 18 individual champions crowned. EMU also joined a select group of 17 Division I institutions to have athletes drafted in the NFL, NBA, and MLB in the same year—Jose Ramirez and Sidy Sow (NFL), Emoni Bates (NBA), and Luke Russo (MLB). Academically, the department posted a then-record 3.382 cumulative GPA, with six teams earning perfect 1,000 APR scores. Community service hours reached nearly 5,700.

In 2021–22, Eastern secured MAC team titles in men's cross country and men's indoor track & field, along with 14 individual conference crowns. The football team made its fourth bowl appearance in six years—an astounding feat for a program that had previously been to just one bowl in school history prior to 2016. That year also brought the renaming of the Convocation Center to the George Gervin GameAbove Center through a transformational gift from GameAbove, enabling major upgrades in technology, hospitality, and student-athlete spaces.

The 2020–21 season proved Eastern's resilience during adversity, as teams claimed MAC titles in men's cross country, men's indoor track & field, and gymnastics. Gymnastics qualified for NCAA Regionals for just the third time, while EMU Football appeared in back-to-back bowls for the first time. Academically, the winter semester GPA hit a record-setting 3.516, and the department opened the new Student-Athlete Performance Center—a 60,000-square-foot facility centralizing sports medicine, performance, and football operations. This came just a year after a remarkable 2018–19 campaign that included three MAC team titles, 15 individual championships, a top-five MAC all-sports finish, and a cumulative 3.270 GPA—the highest to that point.

Wetherbee's first year at EMU (2017–18) set the tone. EMU won five team titles, earned 38 individual conference championships, and took home two of the MAC's top institutional awards: the Cartwright Award (for combined academic, athletic, and citizenship excellence) and the Reese Trophy (top men's athletic program). That same year, the Eagles achieved a then-record 3.259 GPA, proving Wetherbee's vision wasn't just rhetoric—it was results-driven from the outset.

Prior to EMU, Wetherbee built one of the most acclaimed external affairs units in the country at Mississippi State University. There, he served as Senior Associate AD and later Deputy Director, overseeing a department with a budget of $87 million. He led marketing, media relations, facilities, and licensing, and served as sport administrator for baseball and volleyball. He directed branding efforts, upgraded athletic facilities with new video boards and signage, and launched over 100 digital broadcasts annually for the SEC Network. Mississippi State's marketing team won back-to-back NACMA Marketing Team of the Year awards under his guidance, while the media relations team earned the Football Writers Association's Super 11 Award.

Earlier stops included 10 years at East Carolina, where he led marketing and ticket operations and was instrumental in a $60 million athletics facilities expansion. He helped set record football attendance and season ticket sales, while boosting unrestricted giving by 56%. He previously worked at San Diego State and Fresno State in ticketing roles, gaining a reputation for modernizing operations and launching new digital platforms. Wetherbee began his career as an intern at Western Michigan and as a graduate assistant at Ball State, where he earned his bachelor's degree in sport administration in 1997. He started his collegiate journey as a baseball player at Ferris State before the program was discontinued, an experience that shaped his lifelong commitment to student-athletes.

Wetherbee's personal connection to the EMU community runs deep. His daughter, Taylor, joined the Eagles as a gymnast in 2023–24, further cementing his family's bond to a university he has helped transform. Alongside his wife, Tracy, and son, Spencer, Wetherbee has built more than a department—he's built a culture. A culture defined by excellence, inclusion, resilience, and relentless forward momentum.

The George Gervin GameAbove Center (formerly the Convocation Center), in its 26th season as the crown jewel of EMU athletics, opened up a new era of excitement on the west campus of EMU in the fall of 1998.

The state-of-the-art, $29-million facility is the result of a decade-long effort to improve and upgrade university facilities and followed closely the opening of the $41-million Bruce T. Halle Library on the main campus.

Construction of the George Gervin GameAbove Center began in the spring of 1997 and culminated with its dedication game, Dec. 9, 1998, with a men's basketball game against the University of Michigan in front of a crowd of 7,647.

Since its opening, the George Gervin GameAbove Center has served as home court for the Eagles' men's and women's basketball and volleyball teams. The EMU wrestling team and women's gymnastics team have held several meets on the arena floor.

The George Gervin GameAbove Center has also served as the site for seven Mid-American Conference Championships. EMU hosted the 2000, 2007, 2014, and 2022 MAC Gymnastics Championship and the 2002, 2009 and 2016 MAC Wrestling Championship. The arena has been the host site for 10 first-round MAC Women's Basketball Tournament games, nine first-round games for the men's basketball squad and four first-round MAC Volleyball Tournament games. The building also played host for the EMU women's basketball team's upset of the University of Michigan in the First Round of the 2011 Women's National Invitational Tournament (WNIT) and a pair of contests during the 2014 Women's Basketball Invitational (WBI). Meanwhile, the EMU men's basketball team hosted the first round of the 2014 and 2018 CollegeInsider.com Tournament for the program's first postseason home games.

The George Gervin GameAbove Center also played host to the 2008 WNBA's Eastern Conference Finals and the WNBA Championship, as the Detroit Shock utilized the facility for the playoffs.

Along with their commitment to EMU Athletics, the George Gervin GameAbove Center staff has brought some of the finest entertainers in the world to Ypsilanti. The Convo has hosted acts by the Bob Seger, Black Crowes, Indigo Girls, Godsmack, Smashmouth, Ludacris, Bob Dylon, Toby Keith, Matchbox Twenty, Goo Goo Dolls, Dave Chapelle, John Mayer and Jay-Z.

The George Gervin GameAbove Center is also the site for EMU's spring and winter commencement ceremonies. Among other events that have taken place include numerous youth sporting competitions, high school commencements, trade shows, job fairs, conventions, charity and community awareness events as well as a circus.

The 204,316-square-foot facility features three user-friendly levels — arena, concourse and office — and three seating configurations to maximize crowd capacity and space usage. The largest seating capacity is for center-stage entertainment activities, with 9,500 seats available. The capacity for basketball games is approximately 8,800.

EMU's athletic administration is located on the office level, along with offices for the EMU football, men's and women's basketball and volleyball coaching staffs. The EMU Athletic Media Relations Office, as well as offices for the George Gervin GameAbove Center staff, are located on the office level.

The main athletic training room and office space for EMU's sports medicine staff is located on the arena level as are strength and conditioning facilities and equipment rooms.

In the summer of 2012, the George Gervin GameAbove Center received a major face-lift, as a YESCO four-sided ceiling hung display sign, featuring video boards on all four sides, was installed above center court in the arena.

The fixture features four 10MM full color video boards, with each board's active area measuring 15.7-foot wide by 11.5-foot tall. In addition, the system also features three ribbon displays on the west and east sides and under the scoreboard. The arena will also showcase an integrated light emitting diode (LED) courtside scorer's table.

The arena was officially renamed in honor of EMU alum and NBA Hall of Famer George Gervin, Dec. 11, 2021. Dubbed "George Gervin Day," the arena hosted more than 5,000 spectators as the men's basketball team used four overtimes to defeat Florida International in the longest game in school history.

There is no doubt that the George Gervin GameAbove Center has become a special place for athletic events, but there is a warm spot in the hearts of Eastern Michigan fans for Bowen Field House, the home for men's and women's basketball games for 43 years.

Bowen was built in 1955 at a cost of $1.25 million. The facility has 79,529 square feet of floor space and includes an eight-laps-to-the-mile indoor track. An additional 9,394 square feet, along with new permanent seating, a new court and upgrading of the facility was completed in 1982 at a cost of $506,938.

Bowen still serves as home to EMU's track teams and also serves as a practice facility for many of Eastern's varsity squads.

RYNEARSON STADIUM

Rynearson Stadium begins its 56th season as the home venue for the Eastern Michigan University football team in 2025. Opened in 1969, the facility is named for the late Elton J. Rynearson, Sr., who coached football at Eastern Michigan for 26 seasons. His teams compiled a record of 114-58-15. In one six-year period, from 1925-30, Rynearson's teams won 40 games, tied two and lost just four.

The first game played in Rynearson Stadium was Sept. 27, 1969, when Eastern Michigan upset the University of Akron, 10-3. The stadium was dedicated a few weeks later on Oct. 25, 1969, when EMU lost, 17-7, to the University of Tampa.

Over three million fans have seen EMU play in Rynearson. In 30 of the 55 years, Eastern has averaged more than 11,000 fans per home date. The 1995 season proved to be the record-breaking year for Rynearson Stadium attendance. A single-game record crowd of 25,009 was on hand, Sept. 16, 1996, to watch the Eagles dismantle UNLV, 51-6. That four-game '95 season also proved to be a best for season average attendance of 22,602.

Rynearson Stadium is set up for a capacity of 30,200 with the ability to expand for larger crowds. The stadium originally held 15,500, but additional seating and lighting were added in 1974 when the now-defunct Detroit Wheels used the facility for their World Football League games. The additional seating in 1974 brought the capacity to 22,227. During the summer of 1992, seating was added on the east side to bring capacity to the current total of 30,200.

Built for an approximate cost of $1.4 million in 1969, Rynearson Stadium underwent a major renovation project in 1991 and 1992, which included installation of a StadiaTurf field, a new team building, an additional 10,000-plus seats, new bathroom facilities and concession stands, an expanded press box and state-of-the-art scoreboard were added at a cost of approximately $13 million.

The playing field was originally natural grass. A sand-filled artificial surface, StadiaTurf, was installed in 1991. The StadiaTurf surface was replaced in May 1998, by an AstroTurf artificial surface. A FieldTurf surface was installed in the summer of 2005 and replaced again in 2014 when the color was switched to gray.

The press box is located on the top of the west-side stands. A second level was added as part of the renovations in 1991. The working media utilize the lower level while the top level is the University's hospitality area for the stadium.

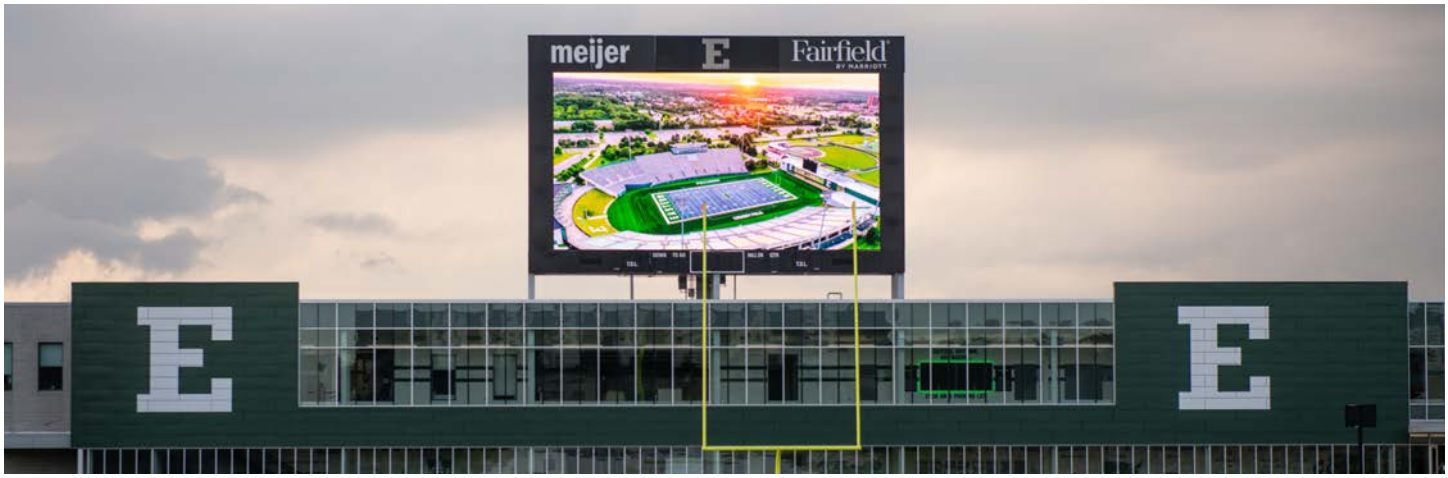
The $20 million Incarnati Athletic Center was added to the north endzone in 2019 after the team building was demolished prior to the 2018 season.

Elton J. Rynearson, Sr.

Elton J. Rynearson, former athletic director and coach at Eastern Michigan University, died Feb. 8, 1967. "Rynie" coached every varsity sport at one time or another during his 46 years of service to the University.

In his 28 years as head football coach, Rynearson compiled a won-lost-tied record of 114-58-15, including one stretch from 1925 to 1933 when his teams lost only six games.

In 1968, the Rynearson Scholar-Athlete Award was founded in his memory. It is given annually to the EMU football player who best combines athletic ability and scholastic excellence.



More than 300 alumni, donors and guests joined staff from the Eastern Michigan University Department of Athletics and campus administration to usher in a new era in EMU athletics with the grand opening of the Student-Athlete Performance Center, Aug. 27, 2019. In use by student-athletes since mid-July, the event welcomed members of the public to the new facility for the first time.

The first major construction project on the athletics campus since the opening of the Convocation Center in 1998, the Student-Athlete Performance Center is the first phase of the athletic department's plan to build a safe and highly-effective atmosphere for its student-athletes through the continual revitalization of its facilities and athletic campus.

Breaking ground in the fall of 2018, the new sports medicine and training facilities provide a 63,000 square foot structure that houses the sports medicine, performance and equipment operations areas. Additionally, the facility has locker rooms, coaches' offices, and meeting spaces for the football team, while also including a new video board inside Rynearson Stadium. Designed to enhance the student-athlete and fan experience at Eastern Michigan, the two story building offers a wide variety of operational spaces and amenities which allow for that goal to be met.

When entering the building, students and guests first walk along a beautiful 18-foot by 16-foot Block E brick hardscape in which donors shared their EMU stories and support of the project. Through the main entrance is the Clouse Family Atrium, a 1,288 square foot welcome room that displays the championship success of Eastern Michigan Athletics throughout its history. The atrium also features a floor-to-ceiling glass panel entrance to Rynearson Stadium, and a 12 foot tall replica of the Mid-American Conference championship trophy. The trophy, which boasts a large "150," across the front, showcases EMU's athletics success in the MAC, including its conference-best 157 team championships.

The east side of the main-floor houses a new equipment room, which includes offices, a full-service laundry facility, and extensive storage spaces for athletic apparel and uniforms, as well as a state-of-the-art strength and conditioning center. Dubbed "T.J.'s Garage," in honor of EMU great and former NFL Pro-Bowler T.J. Lang, the Thomas J. Lang Strength and Conditioning Center, named after T.J.'s late father, provides 7,000-plus square foot performance center, which includes inlaid weight tracks, cardio training, plyometic training, and a nutrition center. Two roll up garage doors serve as the football team's entrance into "The Factory," at Rynearson Stadium.

Next to the locker room are eight team meeting rooms which house different position groups individually. The area also includes a full-team meeting room equipped with state-of-the-art audio-video equipment, "Block E," branded seating, and a theatre design, which allows the entire team to see and hear clearly.

Down the Michael Hawks Hall on the ground floor is the Phil Incarnati Football Locker Room, a modern space with an industrial flair that includes 115 lockers and access to the Brian Clouse Players Lounge, a space that allows football student-athletes to study, and bond with teammates.

The top-floor portion of the newly constructed building is home to a sports medicine center, hydrotherapy room, recruiting lounge, and entertainment corridor, among other offices.

At nearly 5,000 square feet, the sports medicine center features rehabilitation equipment, medical examination rooms, athletic training offices, and medical storage. The space allows student-athletes across multiple sports the opportunity to be treated by an exceptional staff in first-class facilities. Attached to the sports medicine center is the hydrotherapy room. Containing three in-ground therapy pools, the hydrotherapy room features an underwater treadmill pool, cold plunge pool, and a hot/cold therapy pool.

Overlooking Rynearson Stadium is the recruiting lounge. The 638 square-foot lounge offers a dynamic new entertainment space which is sure to enhance recruiting and alumni experiences for years to come. Along with the lounge comes the entertainment corridor. The corridor will be able to be utilized for entertainment opportunities for invited alumni, friends and fans of Eastern Michigan.

Located on top of the building, the LED display measures 29 feet high by 53 feet wide. The entire scoreboard structure will measure 40 feet high by 60 feet wide to bring more than 2,000 square feet of visual real estate to events held at the stadium. The LED portion of the scoreboard will feature a 15HD pixel layout, the premier technology for outdoor sports used at many professional facilities. A fixed-digit scoreboard is a part of the project to provide standard game information including score, time remaining, down and distance, and more. The building was re-named to the Incarnati Performance Center in the fall of 2023 after a generous $2.5 million dollar donation by Eastern Michigan alumnus, Phil Incarnati.

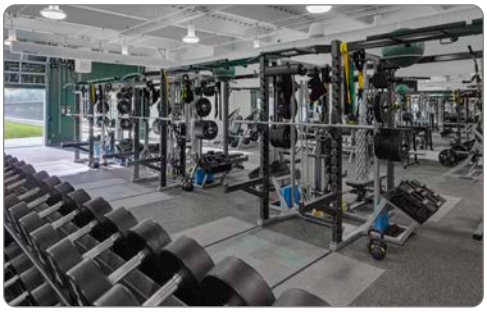
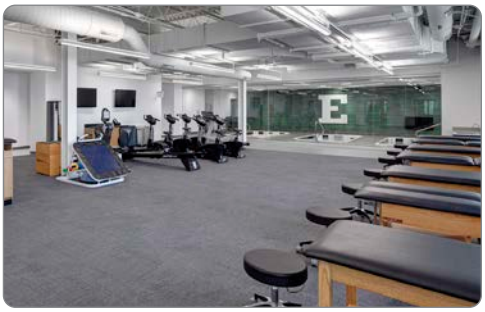
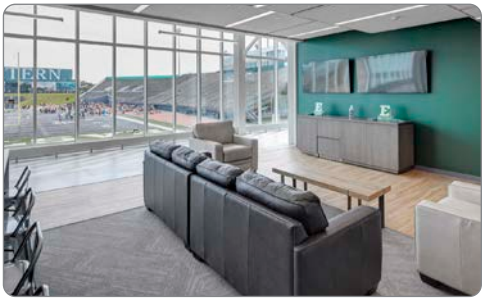
INDOOR PRACTICE FACILITY

INSIDE THE INCARNATI ATHLETIC CENTER







The word came early on a chilly, but calm Sunday morning, Feb. 7, 2010. After a series of delays caused by snow and wind — and with a big storm coming later that week — it was time to raise the roof on EMU's new indoor, multi-purpose athletic practice facility.

Workers started at 7 a.m. and, by 9 a.m., the big, white, synthetic roof had billowed to its full height. Inside, members of EMU's physical plant staff and construction workers admired the expansive space and thought of the athletes that would bring the place to life in the months to come.

It was an improbable event, considering work on completing such a facility and inflating the roof took place heading into and during a Michigan winter. But mild late fall weather helped workers and staff accomplish a great deal, such as pouring 2.5 million pounds of footings concrete.

Light snow in January also helped. The area experienced less than 10 inches that year, compared to more than 30 inches in 2009. A one-inch dusting of snow delayed the inflation, but only for several days.

The facility, which costs $3.9 million, is located on Westview Drive, off Huron River Drive, at the northeast corner of Rynearson Stadium. The building enables EMU's collegiate athletic teams and the Ypsilanti community to continue playing and practicing despite inclement weather. The facility supports intramural, recreational and club sporting events, as well as local sports leagues.

The facility is 410 feet long, 210 feet wide and 75 feet tall. It includes a welcome center and convertible space that can be configured for a football field, an international soccer field or four youth soccer fields. Leasing revenues are projected to cover maintenance and operating costs.

Despite the light Sunday mood, plenty of work remained after the inflation. Workers had to unfreeze the ground, level the concrete, install synthetic turf and complete the welcome center. The parking lot was then completed in warmer weather.

The Board of Regents approved the plan for the indoor facility at its June 2009 meeting, and it was unanimously approved by the state's Joint Capital Outlay Subcommittee in September.

The project was funded by the 2005 tuition increase, four percent of which was specifically dedicated to enhance the university's infrastructure. The four percent increase (or approximately $4.4 million) has accumulated for the past four years, creating a pool of $17.6 million.

WHAT IS NCAA COMPLIANCE?

Eastern Michigan University is committed to operating its intercollegiate athletics program with the highest degree of integrity, sportsmanship, and professionalism, and we urge you to conduct yourself accordingly.

The Eastern Michigan University Office of Athletics Compliance is committed to a comprehensive compliance program that ensures institutional control over the department of athletics.

Our goal is to educate student-athletes, prospective student-athletes, institutional employees, community members, and boosters about the importance of adhering to NCAA, Mid-American Conference, and institutional rules.

A successful athletic department depends on the willingness of coaches, administrators, staff, student-athletes, and boosters to be aware of NCAA, MAC, and institutional rules.

All of us at Eastern Michigan University appreciate your support. Your commitment to rules compliance is necessary to ensure that the University, its student-athletes, and coaches remain in good standing. Our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

QUESTIONS?

The information on this page contains only a small portion of the existing NCAA rules and regulations. If you have any questions about any NCAA, MAC, or institutional rules, please

FIVE RULES TO REMEMBER

1. FANS HAVE RESPONSIBILITIES

As an individual who is a season ticket holder, a member of an Eastern Michigan University booster organization (e.g., Eastern Athletic Fund, E-Gridiron Group), has made financial contributions to EMU, or been involved in promoting EMU's athletic program, you are considered a "Booster" and are required to adhere to an atmosphere of compliance. As a booster, your conduct reflects on the integrity of the entire university.

Once you support EMU Athletics, you retain that identity as a booster forever - the rules still apply! This is true even if the individual no longer contributes to, or is involved with, EMU's athletics program.

2. DON'T GIVE BENEFITS OR INDUCEMENTS

Student-athletes can only receive benefits that other students in the general population can receive. An extra benefit is any special arrangement by an EMU employee or booster to provide a current or prospective student-athlete (or the athlete's relatives or friends) a benefit not expressly authorized by the NCAA. Examples of impermissible benefits include, but are not limited to:

- Gifts of cash, clothing, equipment or any other tangible item;
- A special discount, payment arrangement or credit on any purchase or service;
- Loan of money or co-signing of loans;
- A vehicle, use of a vehicle, or any transportation expenses;
- Free or reduced-cost services, purchases or rentals;
- Entertainment on- or off -campus; or
- Free or reduced-cost rent or housing.

The best way to support EMU student-athletes is by donating to Eagles Pride!

3. LEAVE THE RECRUITING TO US!

You're passionate about your EMU Athletics programs and you want everyone to know it! But remember, only EMU coaches and athletic department staff members are permitted to be involved in the recruiting process. Boosters should be aware of the following:

- Do not contact a prospective student-athlete (or members of the prospect's family) by letter, telephone, e-mail, text, online (Facebook, Twitter), or in-person (on- or off-campus) for the purpose of soliciting their participation in EMU's athletic programs.
- Do not contact a prospect's coach, principal, or counselor in an attempt to evaluate the prospect;
- Do not become involved in making arrangements for a prospect (or the prospect's relatives or friends) to receive money or financial aid of any kind;
- Do not visit a prospect's school to acquire films or transcripts in an attempt to evaluate the prospect's academic or athletics eligibility;
- Do not have contact with a prospect (or the prospect's relatives or friends) during any of their visits to EMU's campus;
- Do not contact student-athletes enrolled in other four-year institutions regarding the possibility of transferring to EMU.

Even though there are many rules prohibiting your involvement with prospects and the recruiting process, as a booster you are permitted to do the following:

- Notify EMU coaching staff about noteworthy prospects in your area;
- Attend a prospect's athletics event on your own initiative, as long as you do not have contact with the prospect (or the prospect's parents or coach);
- Continue existing friendships, provided you do not solicit the prospect's enrollment.

Please note, a prospective student-athlete (prospect) is a student who has started classes for the 9th grade (7th grade for Basketball). Students enrolled in preparatory schools and two-year colleges are also considered prospects. An individual remains a prospect even after he/she signs a National Letter of Intent.

If you know of a talented athlete, please let the coaching staff know, and we'll do the rest!

4. KNOW THE CONSEQUENCES!

EMU is responsible for the actions of its boosters. If a booster recruits or provides impermissible benefits to a current or prospective student-athlete (or the athlete's relatives or friends), EMU may be subject to penalties from the NCAA and Mid-American Conference. When a violation occurs, regardless of the intention, it can:

- Jeopardize the eligibility of prospective and current student-athletes;
- Result in the EMU athletics program being penalized by the NCAA and/or the Mid-American Conference; and
- Cause you to lose benefits or privileges associated with the athletics department (i.e., booster membership, ticket privileges).

5. ASK BEFORE YOU ACT!

The NCAA Rules are not limited to the above, and they are often misunderstood. If you have any doubt or questions, please contact the Office of Athletic Compliance. We strongly encourage open communication between fans, supporters, and the EMU Athletic Department.

Remember, our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

THE EMU IDENTITY

NOT ALWAYS THE EAGLES

Since the 1991 season, EMU athletic teams have gone by the nickname "Eagles."

The Eagles name was officially adopted on May 22, 1991, when the EMU Board of Regents voted to replace the existing Huron nickname and logo with the new one.

EMU originally went by the nicknames "Normalites" and "Men from Ypsi" and various other titles down through the years before "Hurons" was adopted in 1929.

The "Hurons" first came into being as the result of a contest sponsored by the Men's Union in 1929. On Oct. 31 of that year, a three-person committee, composed of Dr. Clyde Ford, Dr. Elmer Lyman and Professor Bert Peet, selected the name "Hurons" from the many entries in the contest.

The name was submitted by two students, Gretchen Borst and George Hanner. Hanner was working at the Huron Hotel at the time of the contest and was no doubt as much influenced by his place of employment as by the Huron Indian tribe. The runner-up name in that contest was Pioneers.

EMU began investigating the appropriateness of its Huron Indian logo after the Michigan Department of Civil Rights issued a report in October 1988 suggesting that all schools using such logos drop them. The report indicated that the use of Native American names, logos and mascots for athletic teams promoted racial stereotypes. At that time, four colleges, 62 high schools and 33 junior high/middle schools in Michigan used Indian logos or names.

The EMU Board of Regents voted to replace the Huron name with Eagles, taken from three recommendations from a committee charged with supplying a new nickname. The other two final names submitted were Green Hornets and Express.

GREEN, WHITE AND YELLOW?

The EMU Eagles' colors are green and white, but the track and cross country teams both feature yellow on their uniforms. There is a reason these teams stand out, and the history behind it goes back to 1967. EMU Hall of Fame Head Coach **Bob Parks** offered some insight to the story behind how the yellow came about.

"When I got to EMU in January 1967, the team was wearing dark green singlets and dark green shorts. In that season, we ran a meet at Western Michigan University, and the finish line was beneath the balcony which was very dark. In the hurdle final, there were six men, three from Michigan State and three from EMU. MSU's uniforms were almost identical to ours. When the finish positions were announced, we got the short end of the stick. You could hardly see the runners under the dark balcony area, and they got the finish wrong. At that point, I decided to get uniforms that showed up better.

"Back then, Kansas was a big name in collegiate track, and they wore pink shorts and powder blue singlets with pink lettering. Everyone thought they were great. I decided to copy them and ordered orange shorts and green singlets with white lettering trimmed in orange. We wore them for about four years, but the Regents decided that all of our teams should be wearing green and white. When they made us get rid of the orange and green, I ordered green and gold, colors I had always liked. At first, they weren't going to let us use them, but I pointed out that our football team was wearing green and gold. Our administration could hardly argue with me, since our gridders were wearing it too. "

"We have worn it ever since, and it is known from coast to coast, as our men have done traditionally well nationally. It also differentiates us from MSU and Ohio University's color schemes. The green and gold does show up well at the finish line, but nowadays they use computer cameras, so it is less of a problem as it was in the 60s and 70s."

EMU OLYMPIANS THROUGH THE YEARS

EMU has had a track representative at the summer Olympic Games since Hayes Jones in 1960. The Eagles have had 18 representatives in 64 years, 15 men and three women. Donald Scott (USA) competed in the triple jump at the 2024 Paris Games.

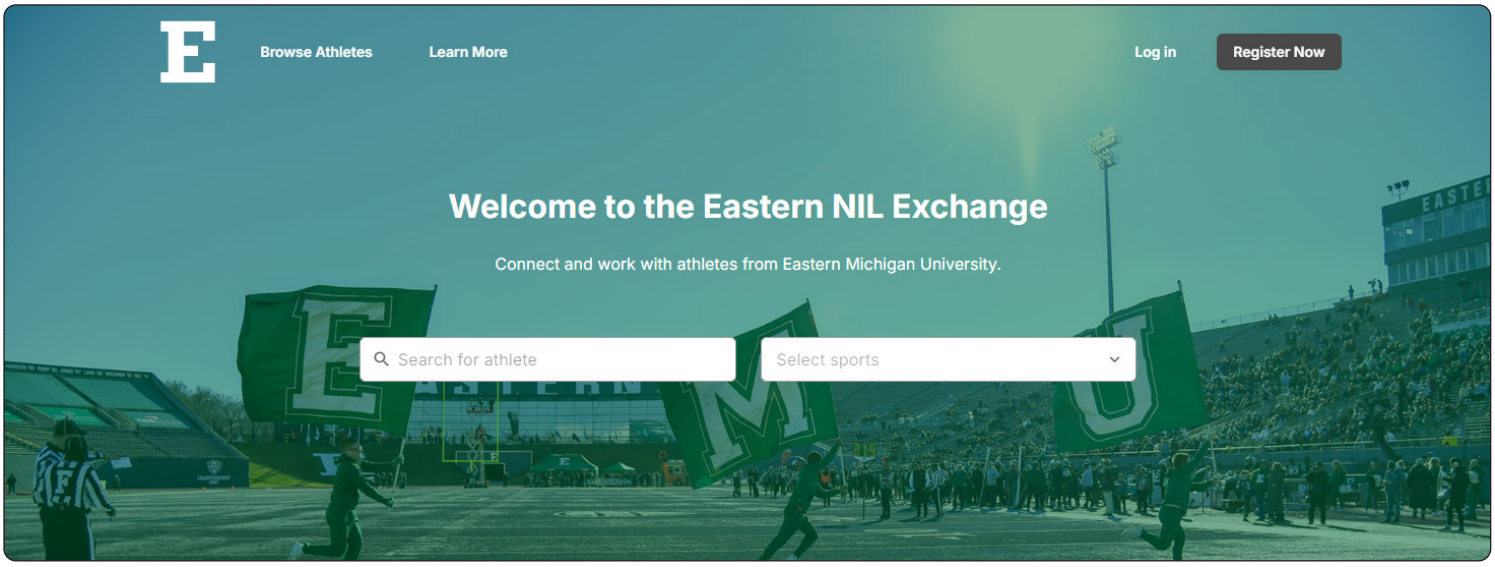
NAME, IMAGE & LIKENESS

Name, Image, and Likeness, or NIL, has become a prevelent part of the collegiate athletics landscape in recent years. As part of the NIL space, Eastern Michigan, in parternship with outside entities, has worked to create avenues for fans, individuals, and businesses to support current student-athletes. Here are two ways people can get invloved with Eastern Michigan student-athletes through NIL:

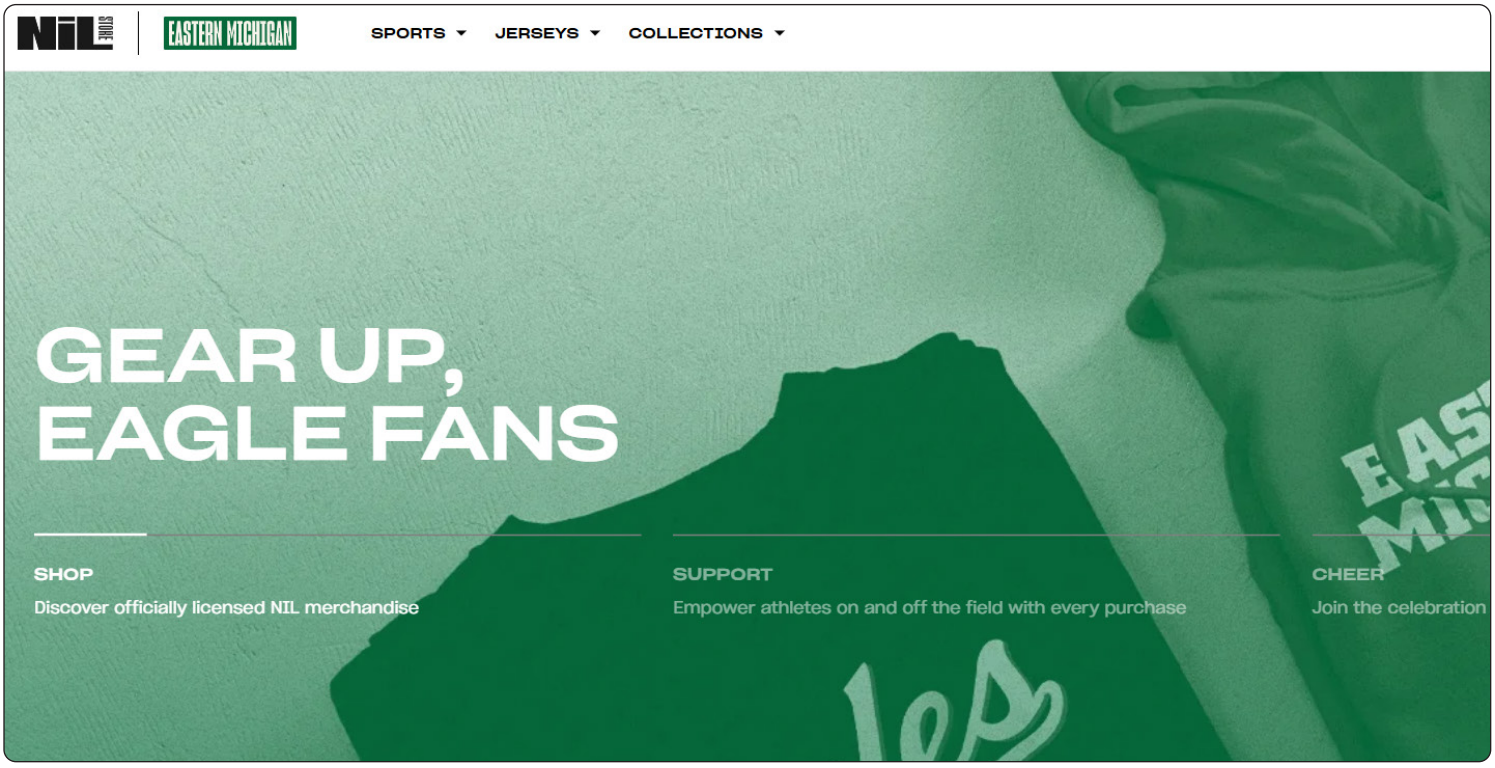
THE EASTERN NIL EXCHANGE



https://app.inflcr.com/exchange/eastern-michigan-university

The Eastern NIL Exchange allows interested parties to connect directly and work with EMU student-athletes on NIL deals. Interested parties can visit the Eastern NIL Exchange page, register themselves as an individual or business, and submit their information. Once approved, those registered can select from over 400 student-athletes to work with in the NIL space.

THE EASTERN MICHIGAN NIL STORE



https://nil.store/eastern-michigan

Launched in August 2024, the Eastern Michigan NIL Store allows for fans to discover officially licensed NIL merchandise featuring all their favorite student-athletes! Each registered student-athlete maintains an individual 'locker room' that fans can visit for gear featuring that student-athletes name and number (if applicable). More and more EMU student-athletes are registering to join the Eastern Michigan NIL Store daily, giving fans a wide range of sports to chose from. Additionally, a portion of each purchase goes **directly** to that student-athlete, allowing fans to support their favorite Eagles financially!

E-CLUB HALL OF FAME

The Eastern Michigan University alumni varsity letterwinners club, E-Club, sponsors the EMU Athletic Hall of Fame.
